

General

In accordance with NYSLA laws... no outside alcohol may be brought onto the property... all beverages including soft drinks must be purchased from either the pro shop or clubhouse... in an effort to make policing this process easier, outside coolers will not be allowed on the course or patio. Coolers will be available for use from the clubhouse and discounts will be offered for volume purchases and ice will be available. The "Bev Cart" will be available 7 days a week and water fountains are available on the course.

Any coolers found will be taken and held in the pro shop until the end of the round...At no point will coolers be allowed to be brought back to vehicles. Coolers may be allowed under special circumstances such as medical or dietary needs. No outside beverages will be allowed unless prior arrangements have been made with the G.M. or the Golf Commission.

All players must register in the Pro shop prior to playing any part of the course. The Pro Shop reserves the right to pair-up all groups less than a foursome. On Weekends/Holidays all 2-somes will be paired to a foursome if possible. All groups will consist of no more than 4 players unless prior approval has been given by the pro shop...this approval will be on a case by case basis and any groups of more than 4 players may be asked to split if pace or play is compromised, 9 holes should be played within 2 hours and 18 holes within 4 hours...during busy times a ranger will monitor pace of play and may ask slower groups to move to an advanced position or to let faster groups to play through. The Pro Shop reserves the right to remove any player/players that cannot keep pace of play or are deemed unfit for play on the course...no refund will be given in this instance.

Non-Annual fee payers will be required to give a credit card to reserve tee times. If the reserved time results in any no-shows, the full amount of the applicable fees will be charged to the card. Annual fee payers will have 7 days in advance to make tee times and non-annual fee payers will have 5 days. Requests for tee times of more than 8 players may require additional information/stipulations. Tee times can be made by visiting the Pro shop, over the phone or through the golf course website.

G.M. / Pro or Superintendent may deem the course unfit to play at any time due to conditions and or weather. In such instances, no play is permitted on the course. If the course is closed during any round, arrangements may be made for play at a later time...this will be at the discretion of the Pro Shop.

All annual fees, cart fees, handicap fees & locker rentals must be paid in full before use can begin. Fees may be paid by cash, check or credit card. Once fees have been paid, no refunds or deferments will be allowed. A convenience fee of 2% will be added to all credit card transactions.
