

ARTHUR CARTER AMSTERDAM MUNICIPAL GOLF COURSE

GOLF COMMISSION MINUTES

October 26, 2021 City Hall at 4:00PM

PLEDGE OF ALLIGENCE: ALL

All in favor

ROLL CALL:

PRESENT: Kevin, Bill, Chris, Tim, Bo

APPROVAL OF 09-28-2021 MINUTES OF PREVIOUS MEETINGS-

PUBLIC COMMENT:

OLD BUSINESS:

Tee signs. Kevin. -Table until spring

Repair divot signs. Brendan-Table until spring

Maintenance committee/BrightView financials report. Bill, Kevin

(See attached spreadsheet)

Rough mower. Kevin Brendan.-Ordered and delivery in December

Meeting tomorrow to go over all of our equipment and the condition it is in.

Diesel tank. Kevin-The tank is up to code

There is water coming in to the maintenance building

Fire Extinguishers will be inspected this week.

Roof repair chemical shed. Kevin-Still not fixed by the city, they said that they will get to it when they can.

Diving Range- Bo got a quote for netting and pole \$123K. This is not in our price range. Bo is going to get a quote for just the setting of the poles. Kevin may have a way to get poles much cheaper. Talked about having Dolly Day for the driving range benefit next year. No decision made

Golfers Survey-Bo will create a Google Form survey and send out to all emails in our system to get feedback about the course this year. Link to survey here:

Golf Software-Lightspeed Golf-up to date with more features. Better customer service than ForeUp. Reports are better and it is free (the one we have now is \$300 a month). We provide the new company with 4 tee times a week for them to sell. They collect the tee time but we can sell the cart. (\$60). The check in is cloud based. No more slips. They are going to get a better rate on credit cards. \$1000 hardware credit for new point of sale.

Cart Paths-no action and no answers from the city

Winter preparation of greens-snow mold down and then a thick layer of top dressing.

Course Closing-Superintendent recommends closing at this time due to the wet conditions. Possibility of temporary pins in the future.

NEW BUSINESS:

Initial rates discussion. (See attached proposal)
